Dick Jonckowski's talk, “Laugh and Live Longer,” will be an entertaining and inspiring exploration of how Dick, throughout his life, has found that his faith and his gift to entertain has given him the strength to face any challenge that life throws at him. From the days as an usher at the old Met Stadium and ring announcer for the American Wrestling Association (AWA); to a legendary career as PA Announcer for Williams Arena Gopher Basketball, Gopher Baseball and Gopher Football. Join the Our Lady of Peace Men's Club for this inspiring evening with Legend Dick Jonckowski!

Dick, along with his wife, Arlene, raised two children and have called Shakopee, MN home since 1966. A devout family of faith, the Jonckowski's are members of the Parish of St. Joachim and Anne in Shakopee. Their faith was severely tested in June of 2014 when Dick was diagnosed with non-hodgkin's lymphoma. After eight rounds of chemotherapy, Dick has now been cancer free for two years.

Christmas Wishes from the Mission Servants of the Most Blessed Trinity

We want to thank you especially for your generosity towards all those who have been affected by Hurricane Maria on the Island. This is always such a joyful time in Puerto Rico. There are many celebrations with family and friends during the Christmas season. This will be a different Christmas on the Island and those who have come to the mainland, separated from family and friends. Your thoughtfulness and solidarity with the will reflect a different kind of light. One which will not grow dim. In the name of our sisters and the people who have been blessed by your generosity, you and yours will be remembered in our Christmas Masses. We are grateful to you, the people of Our Lady of Peace. Blessed Christmas!

Merry Christmas and Happy New Year from The Happy Children's Project

This year we were blessed to be involved in Our Lady of Peace's fundraising efforts through their summer Vacations Bible School program. We were able to get on board as the main fund raising recipient and they were able to match the funds raised from Jam for the Kids. This has been an awesome added financials support this year! Every year we go to Honduras and receive requests to start a project in of the nearby villages; with OLP's help we have begun to consider if the Lord is calling us to expand the ministry. In August, we decided to open another center in a village a few miles away and there are about 40 children who now are part of our project. God's abundant blessings on you and your family, friends, and community this Christmas time and into 2018. Thank you for all you have done. We are always feeling so blessed!
