

Online Giving and Payments

Migrating to A New System

Our Lady of Peace is migrating to a new giving and payment platform, **ConnectNow Giving**. This will replace VANCO.

Our Lady of Peace is asking that parishioners and parents create a registered account. With this registered account, parishioners and parents will be able to:

- Set-up their **own account** with login and password protection.
- Be able to **update your information** at any time.
- Be able to **set-up continuous** or a one-time donation or payment.
- Be able to make **donations or payments to both the Church and School**. (All extra-curricular activity payments for 2018-19 School Year will require parents to register an account.)
- See the **history of donations or payments**.

Already Have an Account with VANCO

Many parishioners and parents already have a registered account with VANCO. Since we are discontinuing their service, Our Lady of Peace is asking that you set up a new account with ConnectNow Giving.

- Once you have a new account with ConnectNow Giving, please log into your VANCO account and make it inactive. Unless the VANCO account is inactive you will be making donations through both VANCO and ConnectNow Giving.
- If you are unable to log into VANCO or have difficulties, please contact Peg or Renee at 612-824-3455. We will be able to make the changes for you in VANCO.

To Access ConnectNow Giving

Our Lady of Peace website (www.olpmn.org) already has the icon for Online Giving and Payments. Just click the icon and you will be directed to setting up your new account. Parishioners, please be sure to add your envelope number. The system tracks contributions and donations using your envelope number.

Problems or Questions

Please contact the Church office at 612-824-3455.
